Dear Friends of the East Haddam Historical Society Museum,

We thank you for your generous support this past year and look forward to your continued support in 2025. Our goal is to keep East Haddam stories alive while fostering the next generation of history-makers. Some highlights from last year include:

- Record number of attendees at our events
- Six new exhibits featuring Women & the Domestic Economy, Linguistic Warriors Kate Swift & Casey Miller, First Settler Families of East Haddam
- New content continually added to our website: East Haddam Stories at <https://www.easthaddamstories.org>.

In 2025, we will build on the successes of 2024, striving to become the town's premier social, cultural, and heritage community organization. Your membership will support new interviews on East Haddam Stories, upgrades to our audio system, and installation of improved lighting in the building and on the grounds.

Annual membership is \$25 per person or \$45 per household. Sustaining, patron, and benefactor levels are welcome. Additional donations are appreciated as we do not receive local, state, or federal funding. Your membership entitles you to unlimited visits and:

- Free admission to most events, workshops, and presentations
- Ability to meet with our historians
- Research our collection of artifacts, art, documents, and photographs.

Individuals or groups are welcome by appointment throughout the year. We are open to the public on weekends from May to October. Please join us in preserving and sharing our community's history! To join or renew, you can either return the bottom portion of this letter or visit our website to pay online at [www.easthaddamhistory.org/membership](http://www.easthaddamhistory.org/membership). Our continued success is made possible by supporters like you.

Sincerely yours,  
*Bruce Sievers*  
President
